

# Let us take care of your personal laundry

Located at Moorooka on Brisbane's southside, Wesley Mission Queensland operates a professional personal laundry service. Our experienced team have been working to the highest industry standards for over 15 years. We pride ourselves on a high-quality, affordable clean, with the convenience of our free collection and delivery service for large orders in the Brisbane metropolitan area.

## How it works

1. We'll come and pick up your items from you.
2. To help clearly identify your items, we'll attach heat sealing labels on them at a cost of \$1.00 per label.
3. Your personal clothing is washed, dried and then if required, hand ironed or steamed and/or folded or hung on a coat hanger.
4. Items are delivered back to you (total turn-around service for laundering is normally 24-48 hours).

## Peace of mind

- We also offer an alternative wash service for anyone who has a detergent allergy
- In the event of a machine breakdown, our laundry service can utilise two nearby commercial laundries to ensure minimum delays in returning your items
- We operate to the industry standards code Australian/New Zealand Standards 4146:2000 – meaning each time you use our services, you're receiving a professional, high-quality clean
- With every wash, we'll do our best to make sure your clothes are handled correctly and with care.
