

Home Care Fee Schedule

Effective 1 January 2023

This Schedule provides information on the range and cost of WMQ care services that you can access through your Home Care Package from your allocated funding level. Services delivered under your Care Plan are GST-free. Some of these services can be accessed through external providers and we will discuss that cost of these with you and get your agreement. Costs will be deducted from your overall package budget.

Our fee schedule is simple and designed to keep your care services affordable. We cater to all levels of Home Care Package (Levels 1-4) and offer a wide range of services which can be tailored to meet your specific needs. For further information, please contact us.
