

# Is your organisation interested in volunteering?

## Volunteering in aged care

At Wesley Mission Queensland, we believe in the power of human connection- especially across generations. We're inviting corporate teams to spend a morning with our aged care residents at one of our welcoming communities.

**Ready to start? Here's how you can get involved:**

### Join in on our village activities

From 9:00am to 12:00pm Monday – Friday, you're invited to take part in some of our most-loved community connection events:

- **Morning tea and board games**  
Enjoy a cuppa, cake, and a relaxed morning of conversation and games. These moments offer residents companionship, joy, and a chance to share stories and laughter.
- **Bingo mornings**  
A resident favourite! Help call numbers, hand out prizes, and soak up the vibrant atmosphere. Bingo brings fun, routine, and connection-and your presence adds an extra spark.

**One morning. One conversation. One connection. That's all it takes to make a difference.**

### Volunteer at a key event

Our residents love celebrating special moments, and your support helps make these days unforgettable.

Volunteers can help by serving refreshments, reading stories, decorating the space, performing music, or simply being a kind presence during these events.

Some of our most loved annual celebrations include:

- Valentine's Day morning tea
- Mother's Day and Father's Day
- Ekka Day
- Cultural and community days (e.g. ANZAC Day, NAIDOC Week, Diwali)
- Remember your wedding day
- Christmas parties

### Select your location

#### Anam Cara Aged Care Community

52 Lavarack Road, Bray Park QLD 4500

#### Cooper House – Wheller Gardens

930 Gympie Road, Chermiside QLD 4032
