

# Help raise funds for Queenslanders in need

Wesley Mission Queensland has been supporting Queenslanders through life's toughest moments for generations. Your school or community can play a powerful role. Fundraising for one of our services brings people together and makes a real, meaningful difference. Whether you give your time, skills, or resources, your support can change lives. Let's get started!

## 1 Choose a service to fundraise for

### Crisis Relief

Providing individuals and families in need with food, essentials, and non-judgmental support across Brisbane and the Gold Coast.

### Hopewell Hospice

Providing compassionate palliative care and support to the Gold Coast and surrounding regions.

### Hummingbird House

Queensland's only children's hospice, providing specialised palliative care when time is short.

### Where it's needed most

Your donation will be directed to the services and programs that require the most support.

## 2 Choose your way to fundraise

### Create an in-person fundraiser

Host a bake sale, sausage sizzle or fun event to bring your community together and raise funds.

### Create an online fundraiser

Set up an online donation page, take on a fitness challenge, or ask for donations instead of birthday gifts this year.

### Run a gift or goods drive

Collect new or gently used items, so we can distribute them to individuals and families supported by our services.
