

Join our online community today

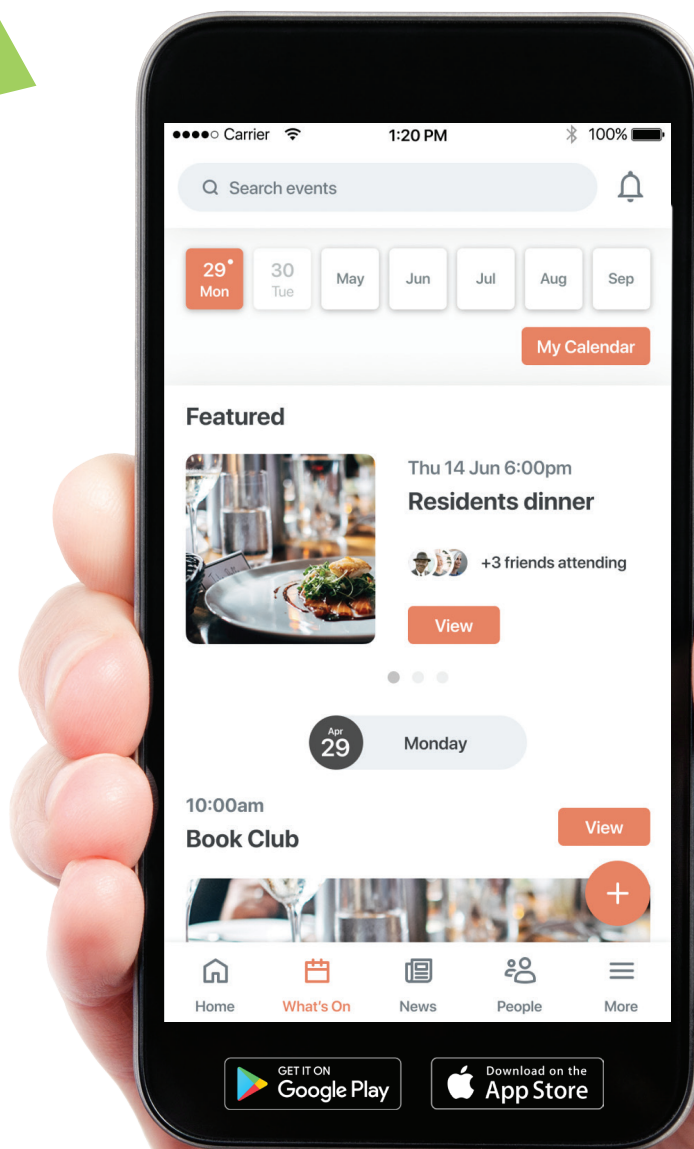

Welcome to My Wesley Connect

Communicating has never been easier

My Wesley Connect is a new online community designed to promote communication between aged care residents, their families and staff by providing an online environment where stories and information can be shared.

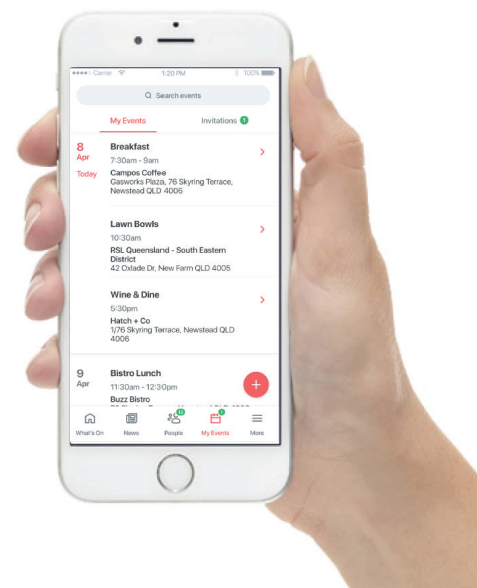

Through the convenience of your mobile phone you will have easy access to news and events, receive real-time updates through photos and stories and have important information, resources and notifications at your fingertips.

www.wmq.org.au/my-wesley-connect

For more information and answers to common questions please go to our website.

- **Close to real time community updates**
You don't have to wait for printed newsletters to be updated with what is happening in your community, just log into the app to see the latest news stories and updates.
- **Important information and resources in one place**
Contacts, resources, maps, visitor information and more, all available in one place and easy for you to find.
- **Advanced notice of activities and events**
See activities calendars in advance and plan your activities or visits to make the most of your time with friends and loved ones.
- **Alerts and notifications**
Receive notifications straight to your phone with any important messages or information we need to give you.
- **Free to download**
from the Google Play and iOS App store
- **Using innovative technology**
to assist in combating social isolation and creating a stronger sense of community for older Australians.

Getting involved is as easy as 1-2-3!

1. Download My Wesley Connect for free on your mobile phone or tablet from the App Store or Google Play

2. Register your email address online at: www.wmq.org.au/my-wesley-connect

3. Activate your account once you receive your email notification and instructions

Download the app for free on the App Store or Google Play and see our friendly staff to register your email today.
