### **Wesley Mission Queensland— Community Transport Service (CTS) provides transport by volunteers for the elderly and younger people with disabilities:**

- We make it our priority to get to know our clients and their needs, offering door-to-door support and a friendly smile or chat on their journey, ensuring they feel comfortable and safe. Transport is available for medical and social purposes.
- As part of our team of dedicated and caring volunteer drivers and assistants you will be provided with training, support and a uniform which will allow you to perform your role safely and efficiently.

We are located at 3 Mundin Street, Petrie

- All our volunteers follow a COVID-19 safe work plan and need to provide proof they have received their COVID-19 vaccinations before they are registered in their role.
- We have a fleet of vehicles including Mercedes Sprinter vans and Toyota Camry sedans, all automatic and only needing a C class licence.
- CTS is also Centrelink participant friendly, so we encourage you to apply.

Our Community Transport Service is a lovely, welcoming and rewarding place to volunteer, where you will meet many wonderful people and learn great new skills that may assist you both personally and professionally.
