Welcome!

NAIDOC 2025 Event – The Next Generation: Strength, Vision & Legacy

NAIDOC is an annual celebration in Australia that honors the history, culture, and achievements of Aboriginal and Torres Strait Islander peoples. Elorac celebrated with cultural performances, art exhibitions, and workshops to promote understanding and community engagement. A big thank you to everyone who was involved in preparations and for helping make the afternoon amazing!

Community Garden Project

Elorac Place received grant funding from *Neighbourhood Centres Qld* for a community garden project. The team of volunteer gardeners are expanding the garden to grow more produce to share with community members. Come and check what's available in the food shed on Tuesday and Thursday mornings.

If you are growing fruit and veggies at home and have a surplus, feel free to bring to the Food Shed to share with others.

Community gardener volunteer Chris says...

"Being a keen gardener, I have been rewarded in having the privilege of growing vegetables at Elorac Place. Working with great volunteers and great management, we are able to help those people who are less fortunate. I hope we can forge ahead and grow a lot more vegetables for those we can help."

Frozen meals now available in the Food Shed

Goodness Enterprises prepares wholesome pre-cooked frozen meals as part of its food relief efforts in the Ipswich and West Moreton region of Queensland.

These meals are made using surplus food rescued from local suppliers and are distributed to food-vulnerable individuals and families who need support.

Would you like to be part of the community gardening project?
