## Application for admission

This application requires that you provide the following:

1. Personal information.
2. Information about your financial position that is necessary for us to determine your likely Fees and Charges.
3. Accommodation information – We have **attached** a Schedule of Fees and Charges that sets out the price we can charge for the rooms in our Service. The Fees and Charges in the Schedule attached are correct at the time we provide the application to you but are subject to change. You must make a choice about how you want to pay for your accommodation within 28 days after you enter the Service.
4. A Statutory Declaration stating that the information you provide to us in this application is true and correct.

If we can offer you a place and you decide you wish to enter the service, you will need to sign a resident agreement. We have attached a sample copy of our Resident Agreement, a completed version of which you will need to sign prior to admission. The Resident Agreement outlines your and our rights and responsibilities if you enter our Service.

The financial information you record in this application should accompany or be used in completing a 'Request for an Assets Assessment' or Income Assessments form (if necessary) to the relevant Agency (Department of Human Services, Centrelink or Department of Veteran Affairs). This will enable Centrelink or Department of Veteran Affairs to work out how much you need to contribute to the costs of your care and accommodation. If you do not wish to provide us with any financial information you do not have to but if you do not provide that information we will need to charge you the maximum amount permissible under the *Aged Care Act 1997* (Cth) for your care and accommodation.

We will comply with the provisions of the *Privacy Act 1988* (Cth) and the Australian Privacy Principles in dealing with the information you provide to us with this application. The information we collect may be used for any purpose that is directly related to our functions or activities as an aged care provider or as otherwise permitted at law. For more information on how we handle your personal information, you may review the Privacy Policy and Collection Statement. Both of these documents are available at our Service.

A decision to enter a nursing home is a significant decision. We encourage you to seek independent legal, financial and other advice about the nature and effect of this application, the Resident Agreement and living in the Service.

If you wish to proceed, please complete the forms and provide all of the information we have requested in this application and return it to us at your preferred facility on page 2.

The information we have requested is necessary for us to determine your likely fees and charges.

The Department will make an assessment on your ability to contribute to the cost of your care and accommodation.

You are not required to apply for an income and asset test before entering our Service. However if you do not apply for an income and asset test we will need to charge you the maximum amount permitted under the *Aged Care Act 1997* (Cth) for your care and accommodation which is set out in the attached Schedule of Fees and Charges.

If you ask us, we can provide you with an estimate of the maximum amount we can charge you for care and accommodation. We cannot advise you of the exact amount you will be required to pay until the Department has completed the assessment of your ability to contribute to the cost of your care and accommodation.

Please ensure all questions are answered and that you do not leave any blank spaces. Please also make sure you sign the Statutory Declaration at the end of this application form.
