

Home Care Package Price List

Our fee structure is simple and designed to keep your care services affordable and receive the best possible care from your Home Care Package.

We cater to all levels of Home Care Package (Level 1 – 4) and you can choose from a wide variety of services that we will coordinate and tailor to meet your specific needs.

To make it simple, we will connect you with a Home Care Package Advisor. They will work with you and the My Aged Care Team to understand and then design and deliver the support you need, within your allocated funding, to maintain your lifestyle and independence in your own home.

Income-tested care fee

The income tested care fee is an extra contribution that some people may be asked to pay because the government assesses that they can afford to do so. This is determined through an income assessment. This fee is different for everyone. It's based on individual income assessment. However, full pensioners do not pay an income-tested care fee.
